2. Policy Principles

- 2.1. The following general principles underpin The College's approach to the resolution of Grievances and Appeals and will be applied in all cases:
1. The College informs students about Grievances and Appeals processes and how to access relevant policies and procedures during their orientation program;
 2. The College will provide an environment where Complainants are able to raise issues of concern, free from fear of retribution, victimisation and discrimination;
 3. The College will provide an accessible Grievance resolution process at reasonable or no cost to the Complainant;
 4. The College will ensure Grievances and Appeals are acknowledged in writing and finalised as soon as practicable;
 5. The College is committed to the early and informal resolution of Grievances in a timely manner;
 6. The assessment a complaint or appeal will be conducted in a professional, fair and transparent manner;
 7. Parties involved in a Grievance must participate in the Grievance resolution process in good faith;
 8. In accordance with the principles of Procedural Fairness, parties involved in a Grievance resolution process have a right to a fair hearing, and to have a decision made by an impartial and unbiased decision-maker;
 9. The confidentiality of parties involved in a Grievance is respected, subject to the need to fully investigate the matter and any legal requirements for disclosure;
 10. The College or the student may ask for an interpreter to be present, and the student may be accompanied and assisted by a support person at any relevant meetings.
 11. Both the Complainant and Respondent have the right to be accompanied or represented by a third party and must bear any costs associated with their procurement of such services. The College will not disclose a Complainant's personal information to any third-party representative without the Complainant's written consent;

12. The College will maintain a student's enrolment throughout all stages of the Grievance process for all types of Grievances and Appeals, except if the Grievance is against The College's decision to defer or suspend a student's enrolment due to misbehaviour, actual or alleged (in cases where the urgency provisions in the procedure for managing alleged student misconduct have been exercised), or to cancel the student's enrolment - in these cases the student's enrolment may be restricted and will only be maintained throughout the internal Appeals process;

3. Grievance Resolution and Appeals Process

- 3.1. There are four (4) stages in this process:

Stage 1: Informal approach to resolve the Grievance;

Stage 2: Formal Grievance to Head of Program;

Stage 3: Appeal to UOWGE Executive Director, Commercial and Legal;

Stage 4: External Appeal.

- 3.2. Where Grievance pertains to the decision(s) or action(s) of the Head of Program, the process must commence at Stage 1. If the Grievance is not resolved at Stage 1, the matter must then proceed directly to Stage 3.
- 3.3. Where the Grievance pertains to the decision(s) or action(s) of the General Manager, Deputy General Manager, or Agent representing The College, the process must commence at Stage 3.
- 3.4. Submission of Stage 2 formal Grievance and Stage 3 Appeal documentation must be submitted by one of the following methods:
 1. In person at; UOW College Reception Desk, Building 30; or
 2. Via post to; UOW College Australia, Building 30, Northfields Avenue, University of Wollongong, Wollongong, NSW 2522; or
 3. Via email to: college-compliance@uow.edu.au.

4. Stages of the Process

Stage 1 – Informal Resolution

- 4.1. Students who have a Grievance about a decision, act or omission by a member of College staff or a Committee relating to an academic or non-academic matter should commence the Grievance resolution process at Stage 1 and seek to resolve the Grievance informally, except in cases where Clause 3.3 applies.
- 4.2. Whether the Grievance relates to an academic matter or a non-academic matter, Stage 1 of the Grievance resolution process requires students to discuss the matter with a College Student Advisor in the first instance who will provide advice regarding any other applicable policies, refer matters to the most appropriate area and seek to resolve the Grievance informally.
- 4.3. Where the Grievance pertains to the conduct of a Student Advisor, the student may escalate the matter to a Senior member of staff as listed below, including, but not limited to:
 1. Student Services Manager; or
 2. Head of Program.
- 4.4. Notwithstanding the current policies in place which may be applicable, including the *Incident Management Policy*, there may also be a legislative requirement for The College to report matters to the Police, via UOW Security. In cases of an emergency and/or where a student's personal safety is threatened, the student may also contact the Police.
- 4.5. The Complainant and the Respondent (where applicable) will be notified of the Stage 1 outcome informally, either verbally or via email, by the staff member initially approached by the Complainant, or thereafter tasked, to investigate and seek informal resolution of the Grievance.

Stage 2 – Formal Grievance to Head of Program

- 4.6. Where a Grievance is not resolved at Stage 1, Complainants may progress to Stage 2 and seek formal resolution by the relevant Head of Program. Complainants are required to complete and submit a *Student Grievance Form* within ten (10) working days of receiving an outcome at Stage 1 of the process. This form is available from The College reception desk and The College website.
- 4.7. The Head of Program must attempt to resolve the matter directly and ensure the Complainant receives relevant information about the Grievance process.
- 4.8. The Head of Program must examine and consider all relevant documentation and evidence provided and where required, may consult with the Deputy or General Manager and speak to the Complainant and other relevant parties to make a determination.
- 4.9. Where the Grievance pertains to a decision, act or omission by a member of College staff or a Committee, the Head of Program must refer Grievances to the Deputy or General Manager if they have insufficient authority to implement a resolution.

Notification of Stage 2 Outcome

- 4.10. The Head of Program must notify the Complainant and the Respondent in writing of the Stage 2 outcome including reasons for the decision and the Complainant's right to submit a Stage 3 Appeal if the Complainant is not satisfied with the outcome at Stage 2, within ten (10) working days of receiving the Student Grievance Form.
- 4.11. Where the Head of Program requires more than 10 working days to finalise the Grievance, the Head of Program must inform the Complainant and the Respondent in writing and explain why more than ten (10) working days are required to finalise the Grievance. They must also regularly update the Complainant on the progress of the matter.

Stage 3: Appeal to the Executive Director, Commercial and Legal

- 4.12. A Complainant may proceed to a Stage 3 Appeal to the Executive Director, Commercial and Legal, in the following circumstances:
 1. If a Complainant is not satisfied with the outcome of Stage 1 of the Grievance process and the Grievance pertains to the decision(s) or action(s) of the Head of Program (see Clause 3.2); or
 2. If a Complainant is not satisfied with the outcome at Stage 2 of the Grievance process; or
 3. The Grievance pertains to the decision(s) or action(s) of the General Manager, the Deputy General Manager or an Agent representing The College (see Clause 3.3); or
 4. If a student is deemed to have unsatisfactory course progress and The College intends to place the student on a course status of 'Exclusion' and, in the case of international students, intends to report the student to Department of Home Affairs; or
 5. If an international student is deemed to have unsatisfactory course attendance and The College intends to report the student to Department of Home Affairs.
- 4.13. Complainants who seek to proceed with a Stage 3 Appeal are required to complete and submit an *Appeal Form*, available from The College reception desk and The College website, in accordance with the instructions on the form, along with any supporting documentation, in the applicable timeframe, as follows:
 1. Within ten (10) working days of receiving a response at Stage 2 of the process from the Head of Program;
 2. Within ten (10) working days of receiving a response at Stage 1 of the process if the Grievance pertains to the decision(s) or action(s) of the Head of Program (see Clause 3.2);
 3. If a complaint pertains to an action or decision of an Agent, then within ten (10) working days of that action or decision;
 4. Within twenty (20) working days of receiving notification of a decision from the General Manager or Deputy General Manager which pertains to an academic or non-academic matter; or

5. Within twenty (20) working days of receiving notification from The College that the student is deemed to have unsatisfactory course progress or unsatisfactory course attendance.
- 4.14. Complainants may only Appeal at Stage 3 of the process on the following grounds:
 1. The College or Agent did not follow College policy and/or procedure; and/or
 2. There is new relevant information (new documentary evidence required); and/or,
 3. A decision did not adhere to the principles of Procedural Fairness.
 - 4.15. The *Appeal Form* must identify the reason for the Appeal. All relevant documentary evidence to support the Appeal must be provided by the Complainant with the *Appeal Form*.
 - 4.16. The Student Appeals Officer will examine all relevant documentation and evidence provided and may also consult with the General Manager and/ or Deputy General Manager (unless the complaint pertains to the General Manager of Deputy General Manager), speak to the Complainant, or consult other relevant parties in order to make a recommendation regarding the Appeal outcome. This information will then be presented to the Executive Director, Commercial and Legal, or Nominated Delegate, to determine the outcome of the Stage 3 Appeal.
 - 4.17. The Executive Director, Commercial and Legal can assign another suitable member of the Management team as the Nominated Delegate to review and determine the outcome of the Stage 3 Appeal. This may occur in circumstances where, for example, the Executive Director, Commercial and Legal is unavailable or was involved in the Grievance subject to the Stage 3 Appeal.
 - 4.18. The Executive Director, Commercial and Legal or Nominated Delegate will review the circumstances underpinning the ground(s) for Appeal and determine whether or not the relevant policies and/or procedures have been followed correctly.
 - 4.19. In circumstances where the Executive Director, Commercial and Legal (or Nominated Delegate) finds that all relevant policies and procedures have been followed correctly, discretion to allow the Appeal (in whole or in part) may still be exercised by the Executive Director, Commercial and Legal (or Nominated Delegate) for compassionate reasons. Such discretion would only be exercised after considering the Complainant's individual circumstances and all supporting documentation and following the assessment by the Executive Director, Commercial and Legal (or Nominated Delegate) that the circumstances were beyond the control of the Complainant, a significant impact on the Complainant's studies and compelling compassionate grounds were demonstrated.

Notification to Complainant

- 4.20. The Complainant must be notified, in writing, of the Stage 3 outcome including detailed reasons for the decision, within ten (10) working days of the Appeal submission.
- 4.21. Where the Executive Director, Commercial (or Nominated Delegate) requires more than ten (10) working days to finalise the Appeal, the Complainant must be advised of these circumstances in writing by the Student Appeals Officer and must receive regular updates on the progress of the matter.

- 4.22. If the Appeal is unsuccessful at Stage 3, the Complainant must also be notified of their right to Appeal to an External Authority or independent mediator as detailed at Stage 4 of the Grievance Resolution Process.

Stage 4 – External Appeal

- 4.23. Complainants must exhaust all available internal review options as detailed above before pursuing an external review at Stage 4.
- 4.24. If Complainants are not satisfied with the Stage 3 outcome, they can request for the Grievance to be reviewed by the relevant external Appeal body as specified in Schedule 1 'Appeal Contact Details'.
- 4.25. If a Complainant decides to pursue a Stage 4 external Appeal, they must notify the Commercial and Legal Division of this decision, in writing, within ten (10) working days of the notification of the Stage 3 outcome.
- 4.26. If The College does not receive any notification from the Complainant of their intention to lodge a Stage 4 External Appeal, then The College will action the outcome of the Stage 3 Appeal.
- 4.27. Complainants will bear all reasonable costs associated with the Stage 4 external Appeal.
- 4.28. Any domestic students enrolled in a Vocational Education and Training (VET) program who wish to pursue a Stage 4 external Appeal regarding a matter not related to VET Student Loans will be referred to an external mediation service (see Schedule 1 'Appeal Contact Details'). The College will fully participate in this process and the Complainant will bear all reasonable costs incurred.
- 4.29. Complainants must provide evidence of the external Appeal lodgement to The College within five (5) working days from the date of notifying The College of their intention to lodge and pursue a Stage 4 external Appeal. This evidence is required so The College is able to halt any natural courses of action associated with the Stage 3 outcome until they have received a response from the External Authority. Evidence may include an email acknowledgement receipt from the external body, an Appeal reference number or a copy of the application form verifying the lodgement date.

5. External Appeal against Notice of Intention to Report for Unsatisfactory Attendance or Course Progress

- 5.1. International students who are Appealing a decision to report them to the Department of Home Affairs for unsatisfactory attendance or course progress should exhaust all available internal review options as detailed above before pursuing external review at Stage 4.
- 5.2. In cases where the Appeal pertains to a decision to report the student to the Department of Home Affairs for unsatisfactory attendance or course progress and the student has lodged an external Appeal, The College will await the outcome of only one (1) external Appeal before reporting the student to the Department of Home Affairs, provided the external Appeal outcome supports this decision.

- 5.3. International students who do not notify The College of their Stage 4 external Appeal in accordance with Clause 4.29 will be reported to the Department of Home Affairs after the ten (10) working day period for notification to The College of the intention to lodge a Stage 4 Appeal has lapsed.

6. Recommendations Arising from External Review

- 6.1. In cases where the external review body provides The College with any recommendations arising from the review, those recommendations will be actioned within ten (10) working days of receipt from the external review body.
- 6.2. In circumstances where the Complainant fails to notify The College that they have pursued a Stage 4 external Appeal and recommendations are subsequently received from an external review body, The College will consider those recommendations and action where possible.

7. Withdrawing a Grievance or Appeal

- 7.1. Complainants may withdraw a Grievance or Appeal at any stage in the process, in writing, to the person handling the matter, who will notify relevant parties that the Grievance or Appeal is concluded.

8. Record Keeping

- 8.1. All parties involved in the Grievance are obliged to keep records in line with preserving confidentiality and respecting privacy in accordance with the privacy policy and other relevant privacy legislation.
- 8.2. The College will store and retain electronic records in accordance with the General Retention and Disposal Authority: higher and further education (GA-47 State Records NSW).
